Dear Property Owner,

Thank you for your inquiry in Property Management. I look forward to the opportunity to manage your home. I am pleased to introduce myself as the Residential Property Manager for Brooks Real Estate, Inc.

I bring 8 years of Multi-Family and Residential Property Management experience. I have managed several Multi-Family Communities consisting of 250+ units for such companies as S.L. Nusbaum and RAM Partners. After leaving the Multi-Family industry I obtained my Real Estate license with the Commonwealth of Virginia and became member of the Williamsburg Area Association of Realtors®. I am currently certified with Fair Housing & the Virginia Residential Landlord Tenant Act. I am a Williamsburg native and intimately familiar with the local rental market. I have intensive marketing training and knowledge which is proven through the success of our residential program. I provide my clients with the best return on their investment, though striving for quality tenants, maintaining zero delinquency and minimizing property expenses.

I look forward to the opportunity to manage your home. Please feel free to review the enclosed information and contact me with any additional questions or concerns regarding the Residential Program or our services.

Best regards,

Angela Darrin, Realtor®
